Creating Community Through People, Parks, and Programs

Hermosa Beach Friends of the Parks (FOP) is a 501 (c)(3) non-profit foundation dedicated to identifying, prioritizing and fundraising for park and recreation improvements throughout the City of Hermosa Beach. We have continuous efforts toward enhancing the quality of outdoor recreational experiences in Hermosa; fostering connections between residents and local community groups; providing opportunities for social interaction in neighborhood parks; monetarily contributing to park programs and development projects; advocating for residential concerns with regard to the parks; and maintaining safe, friendly park environments for all user groups.

2009 Contributions to the City Parks

Sea View Park Playground Equipment

Friends of the Parks donated \$6,600 to the city of Hermosa Beach to purchase new playground equipment for Sea View Park on Prospect Ave., implemented in August 2009.

Shakespeare in the Park

Friends of the Parks donated \$1,000 to Shakespeare in the Park, which performed in Valley Park in July 2009.

Connections Between Residents

Friends of the Parks donated \$800 towards a universally accessible swing in Valley Park and also supported the Mrs. O'Brien's Memorial on the Greenbelt.

South Park Renovations

The City Council recently approved plans to add two sets of play equipment for children in different age groups of all physical capabilities. Friends of the Parks is actively participating in raising the needed \$400,000 funds for the South Park refurbishments.

Signature Events

Movie in the Park

Friends of the Parks host a movie in Valley Park during late summer each year. A family-friendly movie is featured and the movie venue is filled with activities for children.

Pumpkins in the Park

Each fall, pumpkins and kids in costumes fill a local park. There are plenty of activities for the children and each child leaves with their very own pumpkin.
